HENRY KRUPP A MIRIAM PIONEER DIES SUDDENLY

Henry Krupp, one of the old and prominent farmers in the township of Otisco, near Miriam, died suddenly Monday night from cerebral apoplexy. He had retired feeling usually well and one of the boys in passing his room discovered him breathing heavily and the family immediately were called, but he soon passed away.

The deceased has lived here many years, coming in an early day with his parents. He was an excellent citizen, much respected and loved by all who knew him, ever ready to extend a helping hand.

Besides his wife Mr. Krupp is survived by two sons and three daughters—John and Joe Krupp, Mrs. Chas. Jonas, Mrs. Nick Schenden of Greenville and Mrs. Nick Andres of Easton. One brother and two sisters also survive him—Leopold Krupp and Amelia Krupp of this city and Mrs. Mike Kohn.

Funeral services will be held Thursday at ten o'clock in the Miriam church.
