

ergy, as well as for the excellent music they furnish on all occasions.

A SAD AFFLICTION.—The family of Mr. Daniel Krupp, residing on East Market street, First Ward, has been sorely afflicted by sickness during the past few weeks. M. Krupp and his two daughters were taken with typhoid fever, a few weeks since, and on Friday last the youngest daughter, Matilda, aged about 19, died; followed by her oldest sister Amelia, yesterday afternoon. Both had grown to womanhood and were highly esteemed and respected by their acquaintances, who join with the afflicted family in their mourning for the lost loved ones. Mr. Krupp is slowly recovering.
