

ing any symptoms of hydrophobia
and both eyes closed during the
days.
Seneca Advertiser Feb. 2, 1905
S/o Edw J. + Louise Bruss

Put-in-Bay fishermen are making
big catches these days. An average
day's catch is worth \$5, while the
weekly average is \$20. There are now
from 75 to 90 shanties on the ice. One
day's catch alone for all the fisher-
men amounted to \$210.
