TOXEMIA CAUSES DEATH OF CHILD

BRITISH CITED

Illness of one week resulted in the death in Mercy hospital at 6.45 p. m. Tuesday of Shirley Ann Krupp, nine-months-old daughter of Harvey and Helen (Courtney) Krupp, 70 Grand avenue. The infant's illness did not appear alarming until Monday and she was taken to the hospital Monday night when symptoms of severe toxemia developed.

Besides her parents the little girl leaves a sister, Carol Ruth, and two brothers, Harvey, Jr., and Billy. She was enrolled in the First Baptist church.

Funeral services are to be held at 10 a. m. Friday in the Ray C. Myers funeral home and burial will be in Fairmont cemetery. The body is at the funeral home where friends may call.
