Of Persons Whose Marriage is Not Legally Recorded.

For some time past Probate Judge Noble and Deputy Rex have been busy recording the returns of marriages, which matter was badly neglected during the terms of previous Judges. There are a number of marriages which have never been returned. Section 3301 of the Revised Statutes of Ohio provides that:

Every person who solemnizes a marriage must return a certificate thereof, signed by himself, to the Probate Judge of the county who issued the license, within three months, and failing to do so, forfeits fifty dollars; and if the probate judge neglects to make a record thereof, he is liable to a penalty of fifty dollars for the use of the county.

Many of the ministers as well as those in office have violated the above law. In looking through Volume 9, of marriage records for the three years from Feb. 25, 1883, to Feb. 16, 1886, we find that prior to Nov. 16, 1885, there were 69 licenses of which no returns have been made and for each one of which the person who performed the ceremony is liable to a fine of \$50. As there is no legal record of any of these marriages, which may lead to future complications, and as it is for the interest of the parties concerned to become acquainted with the facts and see that the proper returns are made, we publish below the names:
